DESCRIPTION

The adapter plate 3842548969 connects the Bosch Rexroth Multi Use door lock to EcoSafe sliding doors in profile slot 8. Covered fastening screws keep the front face clean and no profile finishing is required, reducing installation time. The plate is compatible with all three Multi Use lock variants: standard locking, uniform locking, and double-bit lock.

- Compatible with EcoSafe sliding doors in profile slot 8, Multi Use series
- No profile finishing required - covered fastening screws for a clean installation
- Galvanized steel - corrosion-resistant for industrial environments
- Complete fastening set included: 2x countersunk screw ISO10642-M6x10, 2x cylinder head screw DIN7984-M6x22, 2x T-nut groove 8 M6
