DESCRIPTION

The Bosch Rexroth Multi Use door lock fits swing and sliding doors in aluminium profile structures with slot 8 and slot 10. The standard closing version assigns a unique random key to each lock, making it well suited for applications where individual access control per unit is required. Left- and right-opening capability combined with compatibility across multiple profile grids allows the same lock to be used throughout a wide range of assemblies.

- Left- and right-opening without modification
- No profile finishing required - simplifies installation and reduces build time
- Covered fastening screws for a clean external appearance
- Compatible with profile grids 30, 40, 45, 50 and 60 mm (with adapter plate 3842548969 also for WG30/WG40 woven wire grille profiles)
- Differing gap measurements apply for door widths below 400 mm (up to 45 mm modular dimension) and below 600 mm (50 mm modular dimension) - refer to assembly instructions 3842554184

TECHNICAL DATA

Parameter	Value
Article number	3842548971
Series	Multi Use
Door type	Sliding door, swing door
Locking type	Standard closing (random key)
Profile slot	8, 10
Housing	Diecast zinc
Door handle	PA6, black
Cover	PP signal gray RAL 7004
Fastening material	Steel, galvanized
Scope of delivery	Door lock, 3 x key, 3 x washer ISO7089-6, 1 x cylinder head screw ISO4762-M6x12, 3 x T-nut 8 M6, 1 x cylinder head screw ISO4762-M6x16, 3 x T-nut 10 M6, 2 x cylinder head screw DIN7984-M6x30, 2 x cylinder head screw DIN7984-M6x35
Packaging unit	1
Weight	0.674 kg
Recommended accessories	EcoSafe adapter plate 3842548969 (for WG30/WG40 woven wire grille profiles)
