DESCRIPTION

The 3842553631 door handle set is designed for swing doors in Rexroth aluminum profile assembly systems. It fits 40x40L 2N and 45x45L 2N strut profiles and accepts a standard 30/30 lock cylinder, ordered separately. The strut profile requires "LM" (Lock Milling) finishing; configurable profiles can be ordered via Quick&Easy.

- Lever/lever configuration for convenient two-sided door operation
- Handle and housing in anodized aluminum - lightweight and corrosion-resistant
- Galvanized steel fastening hardware included in the scope of delivery
- Compatible with 40x40L 2N and 45x45L 2N strut profiles
- Mortise lock accepts a standard 30/30 cylinder (not included) - commercially available cylinders fit
