

Türschloss "Compact" für Schwenktüren, Gleichschließung - Bosch Rexroth 3842553639

Item no. BRR-3842553639

Manufacturer Bosch Rexroth

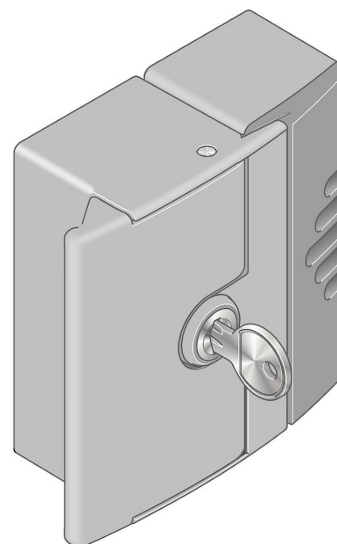

The Compact series door lock for swing doors with uniform locking allows one key to operate all uniformly keyed locks across an installation. The diecast aluminum housing fits profile slots 8 and 10, opens left or right, and requires no profile finishing. Supplied with 2 keys and fastening hardware.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.525 kg**

Zolltarifnummer **83014090**

33291

STANDARDS & COMPLIANCE

ISO 7089-6 ISO 4762

DESCRIPTION

The "Compact" door lock in the uniform locking variant secures swing doors in aluminum profile structures. One key operates every lock in the installation that shares the same keying - simplifying access management in larger enclosures and machine guards. The lock is reversible for left- or right-hand opening and mounts without any profile machining.

- Uniform locking: one key for all matching locks across the installation
- Left- and right-hand opening without modification
- Compatible with a wide range of profile combinations (slots 8 and 10)
- Retrofittable with a Compact emergency release for unlocking from inside (article 3842554134, slot 10)
- Concealed fastening screws for a clean finish
- Diecast aluminum housing, PP signal gray cover (RAL 7004), galvanized steel fasteners
