DESCRIPTION

The adapter plate 3842554152 enables the installation of a standard lock cylinder 27.5/27.5 into the Bosch Rexroth BOX LOCK ECOSAFE chamber lock system. It secures the lock cylinder to the door construction and is compatible with both sliding doors and swing doors. Concealed fastening screws keep the finished assembly clean with no exposed screw heads.

- Compatible with profile slot 8 - fits a wide range of common Bosch Rexroth profile combinations
- Left- and right-hand opening - no handed version required
- No profile machining required - simplifies installation in new and existing constructions
- Concealed fastening screws - clean appearance on the finished door assembly
- Fastening material included: 2x 4x countersunk screw ISO10642-M6x10, T-nuts and square nuts
