DESCRIPTION

The sliding rail 65+ STS 45° Top is a wear part in non-rusting steel 1.4301 for the Bosch Rexroth VarioFlow plus aluminium chain conveyor system. It provides lateral chain guidance at 45° curve sections on the upper side of the conveyor track, ensuring smooth, low-noise operation.

- Non-rusting steel 1.4301 - corrosion resistant and suited to demanding assembly environments
- 45° top geometry for accurate chain guidance at curve sections from above
- Size 65 - compatible with all VarioFlow plus track components in the 65+ series
- Supplied as a single rod in standard length, packaging unit 1
