

Gleitleiste 120+ STS 30° Top, Nichtrostender Stahl 1.4301 - Bosch Rexroth 3842557034

Item no. BRR-3842557034

Manufacturer Bosch Rexroth

Sliding rail for the VarioFlow plus chain conveyor system, size 120, made from stainless steel 1.4301 (AISI 304). The 30° top version guides the conveyor chain smoothly through curves, minimising wear on both chain and rail. Supplied as a single rod in standard length.

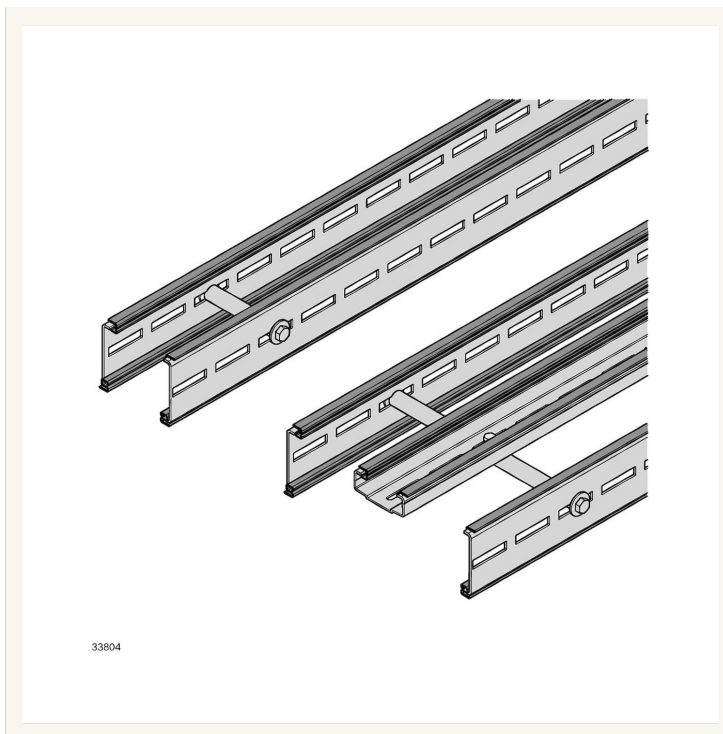

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **39 kg**

Zolltarifnummer **39169010**

DESCRIPTION

The Sliding Rail 120+ STS 30° Top is a wear part for the VarioFlow plus aluminium-system chain conveyor. It provides lateral and vertical guidance for the conveyor chain at curve sections (30°, top position) and is manufactured from stainless steel 1.4301 - suitable for environments requiring corrosion resistance and easy cleaning.

- Grade 1.4301 (AISI 304) stainless steel: resistant to moisture, cleaning agents and mild chemicals
- Size 120: fits VarioFlow plus track components with 120 mm width
- 30° top geometry: precisely matched angle for smooth, low-stress chain travel through curves
- Single rod in standard length, packaging unit 1 - straightforward replacement during maintenance

TECHNICAL DATA

Parameter	Value
System	VarioFlow plus aluminium system
Size [b]	120 mm
Version	30° Top (STS)
Material	Stainless steel 1.4301 (AISI 304)
Condition on delivery	Single rod in standard length
Packaging unit	1

	Parameter	Value
Weight		0.039 kg
