

Gleitleiste 120+ STS 90° Top, Edelstahl 1.4301 - Bosch Rexroth 3842557036

Item no. BRR-3842557036

Manufacturer Bosch Rexroth

Sliding rail for the VarioFlow plus chain conveyor system, size 120, in a 90° top configuration. Made from non-rusting steel 1.4301 (AISI 304) for use in corrosive or hygiene-critical environments such as food processing or pharmaceutical production. Supplied as a single rod in standard length, ready to install.

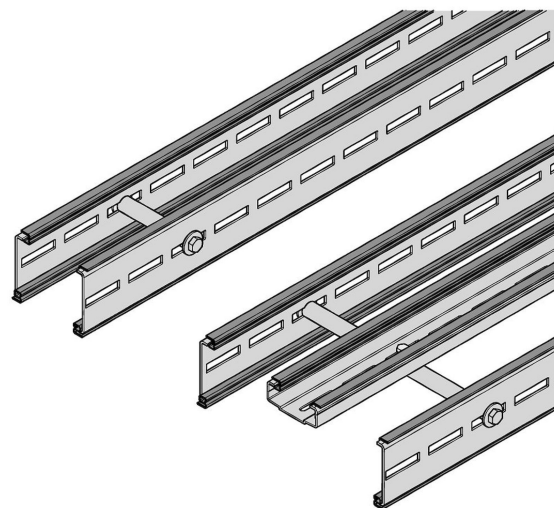

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **88 kg**

Zolltarifnummer **39169010**

33804

DESCRIPTION

The Sliding Rail 120+ STS 90° Top is a guide and support element for the VarioFlow plus aluminium chain conveyor system by Bosch Rexroth, size 120. The stainless steel 1.4301 (AISI 304) construction makes it suitable for applications with strict hygiene requirements or exposure to moisture and cleaning agents. The "90° Top" designation defines the mounting orientation within the track assembly.

- Material 1.4301 (AISI 304): corrosion-resistant, easy to clean, suited for hygiene-critical zones
- Size 120: compatible with all VarioFlow plus components in the 120+ range
- Supplied as a single rod in standard length - ready to install, no cutting required
- Low weight of 0.088 kg simplifies handling and retrofit work

TECHNICAL DATA

Attribute	Value
Type	Sliding Rail 120+ STS 90° Top
System	VarioFlow plus, size 120
Mounting position	90° Top
Material	Non-rusting steel 1.4301 (AISI 304)
Size [b]	120 mm

Attribute	Value
Condition on delivery	Single rod in standard length
Packaging unit	1
Weight	0.088 kg
