

Gleitleiste 120+ STS 180° Top, Edelstahl 1.4301 - Bosch Rexroth 3842557037

Item no. BRR-3842557037

Manufacturer Bosch Rexroth

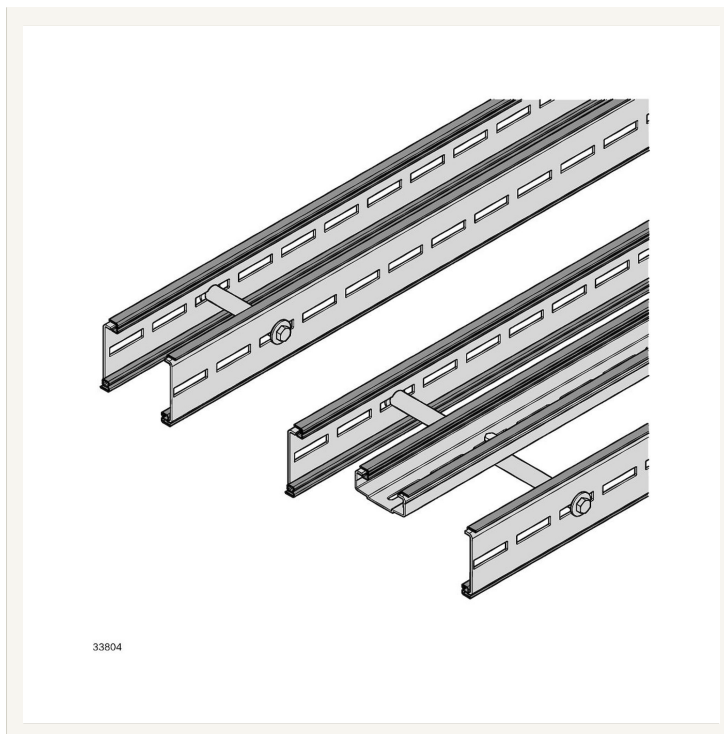

Stainless steel 1.4301 sliding rail for the VarioFlow plus chain conveyor system, size 120, covering a 180° curve. Supplied as a single rod in standard length, ready to install in VarioFlow plus aluminium track sections.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **158 kg**

Zolltarifnummer **39169010**

DESCRIPTION

The Sliding Rail 120+ STS 180° Top guides the conveyor chain through curve sections of the VarioFlow plus chain conveyor system with low wear and high reliability. The stainless steel 1.4301 construction resists corrosion and withstands frequent cleaning cycles, making it suitable for demanding production and food-adjacent environments. Designed for size 120 aluminium track sections with a 180° deflection angle.

- Grade 1.4301 stainless steel - corrosion-resistant, suitable for washdown environments
- 180° curve coverage - full chain deflection in a compact footprint
- Size 120 - precise fit for VarioFlow plus aluminium profile track
- Single rod in standard length - immediately installation-ready, packaging unit 1

TECHNICAL DATA

Attribute	Value
System	VarioFlow plus, aluminium
Size [b]	120 mm
Curve angle	180°
Material	Non-rusting steel 1.4301
Condition on delivery	Single rod in standard length

Attribute		Value
Packaging unit	1	
Weight	0.158 kg
