

Schalterhalter SH VF/UV für VarioFlow plus Werkstückträgersystem - Bosch Rexroth 3842557601

Item no. **BRR-3842557601**

Manufacturer **Bosch Rexroth**

Mounting bracket for M12 proximity sensors on the VarioFlow plus pallet conveyor system. Made from black polyamide (PA) and supplied complete with galvanized steel fastening hardware. Compatible sensors (3842557633 or 3842549813) are required separately.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Italy
Weight	41 kg
Zolltarifnummer	39269097

DESCRIPTION

The Switch Bracket SH VF/UV provides accurate positioning of M12 proximity sensors on the VarioFlow plus pallet system. The black polyamide construction keeps added weight minimal, and the bracket ships ready to install with galvanized steel fastening hardware included.

- Low dead weight (41 g) - negligible additional load on the conveyor
- Ready to mount: galvanized steel fastening material included in scope of delivery
- Designed for M12 sensors with 45 mm or 44 mm body length
- Fully compatible with the VarioFlow plus chain conveyor system
