

Schalterhalter SH VF/U für VarioFlow plus Kettenfördersystem - Bosch Rexroth 3842557603

Item no. BRR-3842557603

Manufacturer Bosch Rexroth

PA switch bracket for mounting sensors and limit switches on the VarioFlow plus workpiece carrier system. Supplied complete with galvanized steel fastening hardware. Requires M12 x 60 sensor (3842558990) for full functionality.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Italy
Weight	61 kg
Zolltarifnummer	84313900

DESCRIPTION

The Switch Bracket SH VF/U provides precise, stable mounting of sensors on the VarioFlow plus chain conveyor system. Made from polyamide (PA), the bracket is lightweight at 0.061 kg and resistant to the typical environmental conditions of assembly lines. Fastening hardware in galvanized steel is included, making the bracket ready to install straight from the box.

- PA construction - lightweight, dimensionally stable, corrosion-free
- Black finish - unobtrusive integration into the conveyor line
- Galvanized steel fastening material included - no additional hardware required
- Designed for the VarioFlow plus workpiece carrier system
- Required accessory: M12 x 60 sensor, article 3842558990

TECHNICAL DATA

Property	Value
Material	PA (polyamide)
Color	Black
Fastening material	Steel, galvanized
Scope of delivery	Incl. fastening material
Required accessory	M12 x 60 sensor, art. 3842558990

	Property	Value
Weight		0.061 kg
