Zolltarifnummer	84313900

DESCRIPTION

The Roller Conveyor Set RB2/UM2 provides a complete, factory-assembled longitudinal conveyor unit for the Bosch Rexroth Transfer System TS 2plus. All components are pre-matched and delivered ready to install, eliminating on-site assembly effort and the risk of mismatched parts.

- Fully assembled on delivery - minimises installation time and assembly errors
- Steel rollers for reliable, durable performance in continuous production environments
- Aluminium guide profiles - lightweight and dimensionally stable
- Complete set including fastening hardware - no supplementary orders needed
