ESD safe

DESCRIPTION

This spring clip in galvanised spring steel mounts the LEANLED and SIGNALED surface lights without tools. The LED luminaire's rear aluminium profile simply clips into the fitted clamps and so withstands even stronger vibrations.

Your benefits

- Fast, tool-free mounting and removal by clipping in
- Secure hold even under stronger vibrations
- Galvanised spring steel for lasting corrosion protection
- Supplied as a pair

Technical data

- **Model:** Light holder LEANLED / SIGNALED
- **Type:** Clamp holder
- **Quantity:** 1 pair
- **Suitable for:** LEANLED, LEANLED II, SIGNALED, SIGNALED II
