

Klemmprofil 2S, Nut 10 mm, 1000 mm Länge - Bosch Rexroth 3842993020-1000

Item no. BRR-3842993020-1000

Manufacturer Bosch Rexroth

The clamping profile 2S with 10 mm slot secures components and profiles within the Bosch Rexroth aluminum profile system. The double-sided design (2S) clamps simultaneously into two opposing slots for a rigid, tool-efficient connection. This unit is cut to 1000 mm; the base article is available in lengths from 50 mm to 3000 mm.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	TEC
Hinweis	Gemäß der aktuellen Preisstruktur werden für Bestellungen von Profilen mit einer Länge von 1500 mm zusätzliche Kosten in Höhe von 80,00 Euro berechnet.
Weight	0.0099 kg
Zolltarifnummer	39169010

DESCRIPTION

The clamping profile 2S, 10 mm slot is a connecting and fastening element for the Bosch Rexroth aluminum profile system. Its double-sided clamping geometry (2S) engages two opposing slots at once, providing a rigid, positive connection that requires minimal tooling. A through-hole for the mounting screw is already machined into the profile, so no additional drilling or finishing is needed on site. This unit is 1000 mm long and is designed for the 10 mm slot series.

- Double-sided clamping geometry (2S) for greater joint rigidity across opposing slots
- 10 mm slot - compatible with Bosch Rexroth profiles in the 10 mm groove series
- Pre-machined through-hole for mounting screw - ready to install straight from the box
- Length 1000 mm; base article 3842993020 available cut to length from 50 mm to 3000 mm

TECHNICAL DATA

Parameter	Value
Type	Clamping profile 2S
Slot width	10 mm
Length	1000 mm
Profile finishing	Through-hole for mounting screw
Available length range	50 mm to 3000 mm
Article no. (L 50-3000)	3842993020
Weight	0.0099 kg
