

Zahnriemen 16AT5 Endlosband aus PU mit Stahldrähten, Meterware - Bosch Rexroth 3842994659-1000

Item no. BRR-3842994659-1000

Manufacturer Bosch Rexroth

Original 16AT5 toothed belt for the Bosch Rexroth LF6S cam roller guide, supplied as cut-to-length stock (min. 300 mm, max. 50,000 mm). Polyurethane body with embedded steel wires delivers consistent tensile strength and low-noise operation in linear assembly applications.

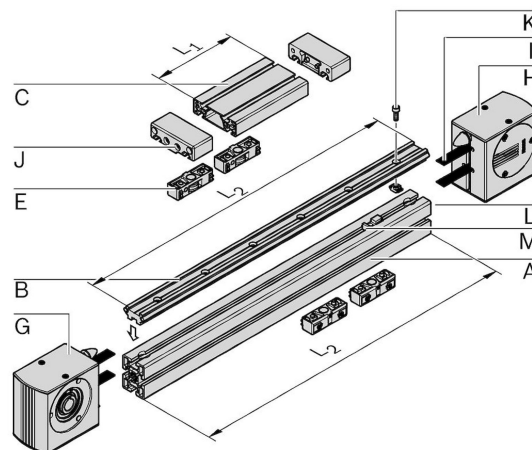

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.0099 kg**

Zolltarifnummer **40103900**

DESCRIPTION

The 16AT5 toothed belt is the original drive element for Bosch Rexroth LF6S cam roller guide systems. Supplied as continuous stock and cut to the required length - minimum order length 300 mm, maximum 50,000 mm per piece.

- **High tensile strength** from steel wires embedded in the PU body
- **Precise, low-backlash motion** with AT5 tooth pitch (5 mm pitch, AT profile)
- **Wear- and noise-resistant** polyurethane construction
- **Flexible length selection** - any dimension from 300 mm to 50,000 mm

TECHNICAL DATA

Property	Value
Designation	16AT5 N S
Belt type	Toothed belt, continuous / cut-to-length
Material	PU with embedded steel wires
Length L3 min	300 mm
Length L3 max	50,000 mm
Length-related mass m'	0.05 kg/m
Compatible series	Cam roller guide LF6S

Property	Value
Manufacturer part number	3842994659-1000
