

## Förderstrecke ST 4/R, 200-6000 mm, montiert - Bosch Rexroth 3842994839-1000

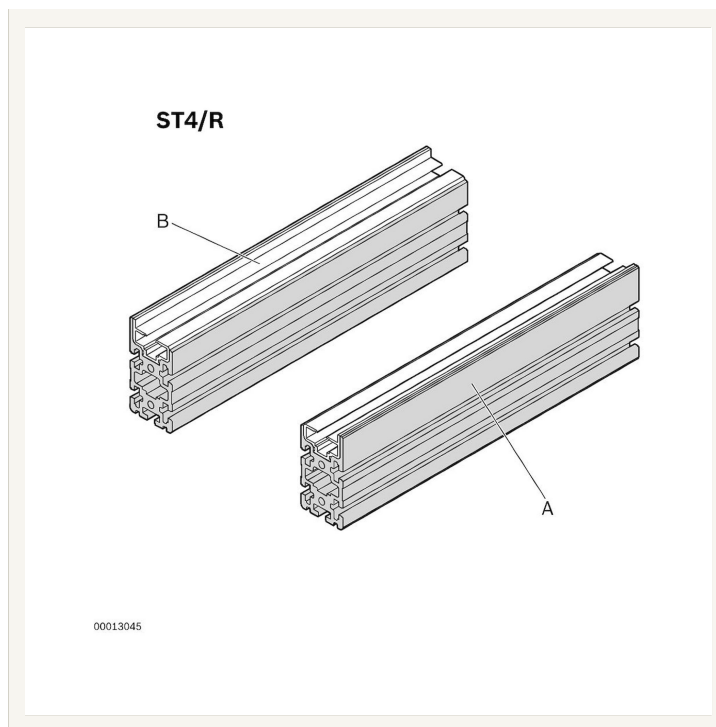

Item no. BRR-3842994839-1000

Manufacturer Bosch Rexroth

Conveyor section ST 4/R for the TS 4plus transfer system, delivered fully assembled. Includes two SP 4/R section profiles in natural-anodized aluminum and two FP 4/R guide profiles in PA 12. Available in lengths from 200 to 6000 mm to match individual line layouts.

| Ausführungsklasse      | TEC       |
| Country of Manufacture | Germany   |
| Weight                 | 0.0099 kg |

### DESCRIPTION

The ST 4/R conveyor section is the core track element of the TS 4plus transfer system, handling longitudinal transport of workpiece carriers along the assembly line. Delivered fully assembled, it can be ordered in lengths between 200 and 6000 mm to suit any line layout.

- Fully assembled on delivery - no pre-assembly required before installation
- Flexible length from 200 to 6000 mm - adapts to individual system layouts
- SP 4/R section profile in natural-anodized aluminum - corrosion-resistant and dimensionally stable
- FP 4/R guide profile in PA 12 - low friction coefficient for smooth chain travel
- Scope of delivery: 2x SP 4/R section profile, 2x FP 4/R guide profile

### TECHNICAL DATA

| Parameter                | Value                                              |
|--------------------------|----------------------------------------------------|
| Length min (L min)       | 200 mm                                             |
| Length max (L max)       | 6000 mm                                            |
| Scope of delivery        | 2x SP 4/R section profile, 2x FP 4/R guide profile |
| Delivery information     | Fully assembled                                    |
| Section profile material | Aluminum, natural-colored, anodized                |
| Guide profile material   | PA 12                                              |

| Parameter            | Value                                           |
|----------------------|-------------------------------------------------|
| Required accessories | Accumulation roller chain, QV 4 cross connector |
