

# Verbinder 45° für 45x45-Profile, ESD-geeignet - Bosch Rexroth 3842554451

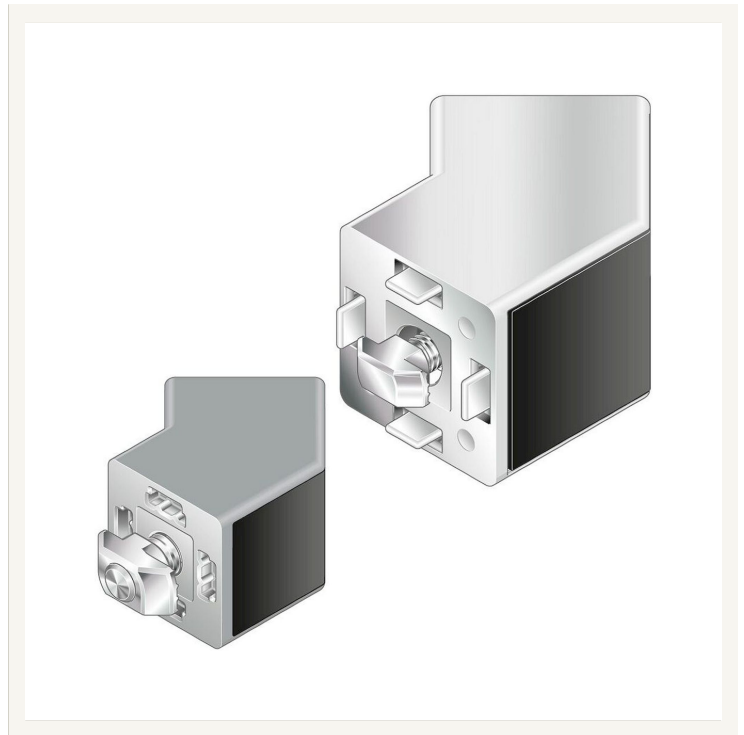

Item no. BRR-3842554451

Manufacturer Bosch Rexroth

Cast aluminum connector for 45° corner joints on 45x45 mm aluminum profiles with slot 10. ESD-suitable, finished in black, supplied as a complete set with fastening hardware and cover caps. Designed for use at ESD-protected assembly workstations.

## TECHNICAL DATA

|                        |                  |
|------------------------|------------------|
| Ausführungsklasse      | ESD (antistatic) |
| Colour                 | Black            |
| Country of Manufacture | Germany          |
| Weight                 | 0.235 kg         |
| Zolltarifnummer        | 73182900         |

## STANDARDS & COMPLIANCE

ESD safe

## DESCRIPTION

The Bosch Rexroth 45° Connector 45x45 ESD creates precise 45° corner connections for 45x45 mm aluminum profiles with slot 10. Delivered as a ready-to-assemble set including all fastening hardware and cover caps, it reduces installation time and ensures a clean finish.

- ESD-suitable: safe for use in electrostatic discharge-protected work areas
- Cast aluminum construction: high dimensional stability at low weight (0.235 kg)
- Complete set: fastening material (2x screw S12x30, 1x flange nut M8, 1x T-bolt M8x20) and cover caps included
- Black finish: integrates cleanly into profile frame assemblies

## TECHNICAL DATA

| Attribute        | Value    |
|------------------|----------|
| Profile slot     | 10       |
| Profile size     | 45x45 mm |
| Connection angle | 45°      |

| Attribute          | Value                                              |
|--------------------|----------------------------------------------------|
| ESD                | Yes                                                |
| Color              | Black                                              |
| Connector material | Cast aluminum                                      |
| Fastening material | Steel, galvanized                                  |
| Scope of delivery  | Set incl. fastening material (FS), cover caps      |
| Fastening hardware | 2x screw S12x30, 1x flange nut M8, 1x T-bolt M8x20 |
| Weight             | 0.235 kg                                           |
