

# Schutzabdeckung OCT 845 x 650 mm für PE 5/OC-T - Bosch Rexroth 3842554572

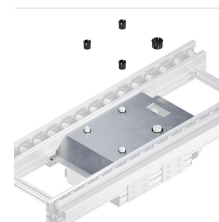

**Item no.** BRR-3842554572 **Manufacturer** Bosch Rexroth

**Manufacturer no.** 3842554572

Aluminum protective cover for the PE 5/OC-T positioning unit and PE 5/OC-T with VE 5/OCD-300 or VE 5/OCD-1000, guarding the lifting plungers during operation. Supplied unassembled, including protective sleeves A and B and all fastening hardware. Install to the dimensions given in the assembly instructions.

## TECHNICAL DATA

Article authenticity	<b>Original product</b>
Condition of article	<b>New</b>
Country of Manufacture	<b>Germany</b>
Weight	<b>0.1 kg</b>
Zolltarifnummer	<b>76109090</b>

## DESCRIPTION

The OCT 845x650 protective cover shields the lifting plungers of the PE 5/OC and PE 5/OC-T positioning units from accidental contact and mechanical damage in active assembly lines. It is compatible with units fitted with or without the VE 5/OCD-300 or VE 5/OCD-1000 travel unit and is delivered not pre-assembled - refer to the assembly instructions for correct installation dimensions.

- Aluminum cover with polyamide (PA) protective sleeves for durable, long-term service
- Complete delivery: protective sleeves A and B plus all fastening hardware included
- Transport length 845 mm, track width 650 mm - dimensioned for the matching positioning unit
- Note: do not stand or walk on the protective cover
