

Horizontalkurve 30° STS, Baugröße 120 mm, R700, VarioFlow plus - Bosch Rexroth 3842557059

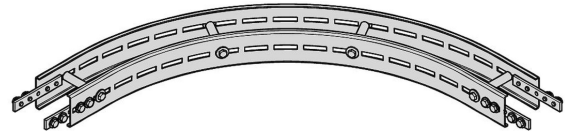

Item no. BRR-3842557059
Manufacturer Bosch Rexroth

Horizontal deflection curve for the VarioFlow plus chain conveyor system in stainless steel STS design. Deflection angle 30°, size 120 mm, radius R700 - supplied fully assembled including fastening material for STS section profiles. Material 1.4301 for hygienic and corrosive environments.

TECHNICAL DATA

 Country of Manufacture **Germany**

 Weight **0.1 kg**

 Zolltarifnummer **84313900**

35637

DESCRIPTION

The 30° horizontal sliding curve STS redirects the conveyor chain in the VarioFlow plus system through 30° in the horizontal plane. Manufactured from non-rusting steel 1.4301 (AISI 304), it is suited for hygienic applications, cleanrooms, and environments subject to moisture or cleaning agents. The unit is delivered fully assembled and mounts directly to STS section profiles using the included fastening hardware.

- Ready to install: fully assembled, incl. fastening material for STS section profiles
- Material 1.4301 - resistant to moisture, cleaning agents and mild acids
- Actual chain length 2x 0.56 m per chain strand; sliding rail length 4x 0.56 m
- Compact footprint: dimension A 255.7 mm at size 120 mm
- Custom versions available on request from the modification department (COS@boschrexroth.de)

TECHNICAL DATA

Attribute	Value
Deflection angle [α]	30°
Size [b]	120 mm
Dimension [A]	255.7 mm
Actual chain length	2x 0.56 m
Effective sliding rail length	4x 0.56 m

Attribute	Value
Material	Non-rusting steel 1.4301
Scope of delivery	Fully assembled, incl. fastening material for STS section profiles
Required accessories	Slide rail (length calculation required)
Weight	2.044 kg
