

Horizontalkurve 45° R700 Edelstahlsystem VarioFlow plus 120 mm - Bosch Rexroth 3842557060

Item no. BRR-3842557060

Manufacturer Bosch Rexroth

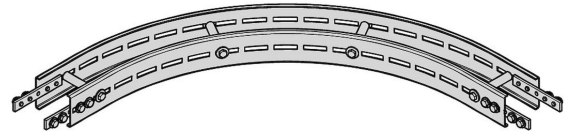

Pre-assembled horizontal curve 45° for the VarioFlow plus chain conveyor system in stainless steel STS (1.4301), size 120 mm. With a deflection angle of 45° and radius R700, it redirects workpiece carriers reliably - supplied with fastening material for direct mounting to the STS section profile.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.1 kg**

Zolltarifnummer **84313900**

35637

DESCRIPTION

The horizontal curve 45° R700 STS is a pre-assembled direction-change component for the VarioFlow plus chain conveyor system. Manufactured entirely from non-rusting steel 1.4301, it is suited to cleanroom, food-processing and other corrosive environments. The curve is delivered fully assembled and connects directly to the STS section profile using the included fastening hardware.

- 45° deflection angle, radius R700 - accurate line routing without additional adjustments
- Size 120 mm - compatible with the VarioFlow plus 120 line
- Material 1.4301 - corrosion-resistant, easy to clean, long-lasting
- Delivered fully assembled - reduces installation effort and commissioning time
- Fastening material for mounting to STS section profiles included

TECHNICAL DATA

Property	Value
Deflection angle [α]	45°
Size [b]	120 mm
Dimension [A]	378.2 mm
Material	Non-rusting steel 1.4301
Actual chain length	2 x 0.75 m

Property	Value
Effective sliding rail length	4 x 0.75 m
Scope of delivery	Incl. fastening material for mounting to STS section profiles
Delivery condition	Fully assembled
Required accessories	Slide rail (length calculation required)
Weight	2.567 kg
Custom versions	Available on request from modification dept. (COS@boschrexroth.de)
