Weight	0.038 kg
Zolltarifnummer	39235090

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The cover cap for the Rexroth 40x20 (N10) cable duct seals open duct ends and protects routed electrical cables. It snaps into the 10 mm profile slot without tools and features pre-punched holes for flexible cable entry. VDE certified. Note: an ESD-conductive connection must be ensured by a suitable design measure such as a fastening screw.

- Tool-free assembly: simply clips into the 10 mm slot
- Pre-punched openings for cable routing
- Large internal volume for cable bundles
- VDE certified

- Material PP, color signal gray
