DESCRIPTION

The SH 2/HQ-R switch bracket enables reliable position sensing on Bosch Rexroth HQ-series rotary units. The diecast aluminum housing is paired with galvanized steel fastening parts, PU clamping claws, and PA cover caps - all included in the scope of delivery. The bracket can be installed in any position and forms a complete position-sensing assembly together with the mirrored left-hand bracket SH 2/HQ-L (3842557607).

- Installation in any position
- Diecast aluminum housing with galvanized steel fastening hardware
- Includes fastening parts, cover caps (PA), and clamping claws (PU)
- Pairs with sensor M12x45 (3842557633) and left-hand bracket SH 2/HQ-L (3842557607)
