DESCRIPTION

The 3842558248 PET protection conduit shields cable and wiring bundles up to 38 mm diameter from mechanical damage. The Velcro fastener running the full length allows fast, tool-free access to the cables at any point - useful for inspections and post-installation changes without dismantling the harness.

- Bundle diameter up to max. 38 mm - accommodates large cable packages
- Full-length Velcro fastener - retrofit installation and inspection without removing existing cables
- PET material - abrasion-resistant, dimensionally stable, and chemically resistant
- Black colour - UV-stable, suitable for industrial assembly environments
- Supplied as single rod, L=3000 mm - ready to use without further cutting or preparation
