## DESCRIPTION

The Keyboard Shelf Table Top from Bosch Rexroth adds a retractable keyboard and mouse surface to manual assembly workstations. Mounted underneath the table top, it frees the work area completely when pushed in and slides out smoothly for use.

- Under-table mounting keeps the full worksurface available at all times
- Steel pull-out rail ensures lasting stability in industrial production environments
- All fastening material included - ready to install straight from the box
- Designed for Bosch Rexroth manual production system workstations
