DESCRIPTION

The cover cap CGP 80x80x80 neatly closes open profile and corner joints in the Bosch Rexroth aluminum profile system, protecting connections from dirt ingress and mechanical damage during operation. Primary application: triple corner butt joints of profile 40x120x120 in assembly and transfer systems.

- Closes profile butt joints and profile corner joints in multiple application combinations
- PP material - durable, lightweight, and easy to clean
- Signal gray finish matches the standard Bosch Rexroth profile system appearance
- Pack of 10 for efficient stock management in series assembly
