

# T-Stück Kabelkanal 40-40-40 ESD, Signalgrau RAL 7004 - Bosch Rexroth 3842558644

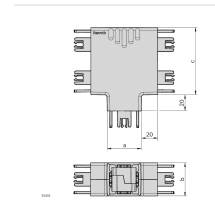

**Item no.** BRR-3842558644 **Manufacturer** Bosch Rexroth

**Manufacturer no.** 3842558644

Polypropylene T-piece for modular cable duct assemblies in ESD-sensitive production and assembly areas, all three dimensions 40 mm. Supplied with connecting elements and potential equalizer lines to allow two cable ducts to be connected conductively. Push-in connections require no tools.

## TECHNICAL DATA

Article authenticity	<b>Original product</b>
Condition of article	<b>New</b>
Country of Manufacture	<b>Italy</b>
Weight	<b>0.14 kg</b>
Zolltarifnummer	<b>39269097</b>

## STANDARDS & COMPLIANCE

**ESD safe**

## DESCRIPTION

The T-piece 40-40-40 in signal gray (RAL 7004) extends the modular Bosch Rexroth cable duct system for use in electrostatic-sensitive assembly and production environments. All three connection dimensions are 40 mm. The PP housing has no inherent conductivity; the included potential equalizer lines allow two cable duct sections to be connected in a conductive path and integrated into an ESD grounding concept. Sections are joined by push-in connecting elements without tools. The system carries VDE certification.

- Modular push-in system - fast, tool-free assembly and reconfiguration
- ESD-compatible via included potential equalizer lines - two ducts connectable conductively
- VDE-certified - verified safety for industrial use
- Signal gray RAL 7004 - consistent appearance on assembly lines and workstation systems

## Technical data

Parameter	Value
Dimension a	40 mm
Dimension b	40 mm
Dimension c	40 mm
Material	PP (polypropylene)
Color	Signal gray RAL 7004
ESD	Yes
Conductivity note	Plastic has no inherent conductivity; potential equalizer lines allow 2 ducts to be connected conductively
Scope of delivery	T-piece, connecting elements, potential equalizer lines
Certification	VDE
Weight	0.14 kg
