

Adapter für VarioFlow plus Antrieb AL 160-320 mm - Bosch Rexroth 3842559108

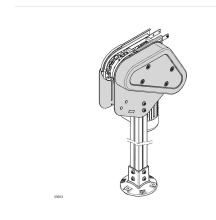

Item no. BRR-3842559108 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842559108

Ready-to-install adapter connecting VarioFlow plus drive units to aluminium chain conveyor systems in widths of 160, 240 and 320 mm. Made from POM and stainless steel 1.4301, fully assembled and supplied with all fastening hardware included.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Weight	0.1 kg
Zolltarifnummer	84313900

DESCRIPTION

The 3842559108 adapter connects drive units of the VarioFlow plus aluminium chain conveyor system to all three standard widths - $b = 160, 240$ and 320 mm. Delivered fully assembled with fastening material included, it is ready to install straight out of the box.

- One part number, three widths: preferred values of 160, 240 and 320 mm support flexible line design without custom components.
- Corrosion-resistant materials: POM combined with stainless steel 1.4301 for reliable long-term performance in demanding production environments.
- Assembly-ready: pre-assembled and shipped with all fasteners - minimises installation time and line downtime.
