

Vereinzeler VE-VF/M für VarioFlow plus Kettenförderer - Bosch Rexroth 3842559135

Item no. BRR-3842559135

Manufacturer Bosch Rexroth

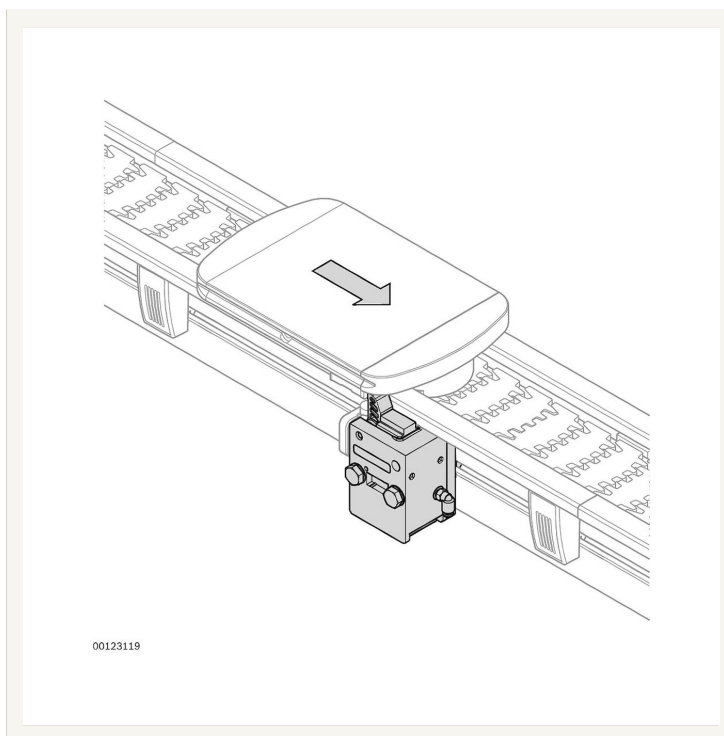

Pallet stop gate for the VarioFlow plus chain conveyor system, separating workpiece carriers for controlled assembly sequencing. Housing in gray PA, functional components in stainless steel 1.4301. Supplied ready to mount, including all fastening hardware.

TECHNICAL DATA

Country of Manufacture **Italy**

Weight **0.1 kg**

Zolltarifnummer **84313900**

DESCRIPTION

The Stop Gate VE-VF/M separates workpiece carriers in the VarioFlow plus chain conveyor system, enabling precise cycle control in assembly and production lines. The housing is molded in gray polyamide (PA); internal functional components are made from non-rusting steel 1.4301, providing reliable performance in dusty or lightly humid environments. All fastening hardware is included in the scope of delivery.

- Direct integration into the VarioFlow plus system - no additional adapters required
- Corrosion-resistant functional parts in stainless steel 1.4301
- Low weight of 0.34 kg simplifies retrofitting and line reconfiguration
- Ready to install: fastening material supplied as shown

TECHNICAL DATA

Attribute	Value
Type	VE-VF/M
System	VarioFlow plus chain conveyor
Housing material	PA, gray
Functional components	Non-rusting steel 1.4301
Fastening material	Steel, galvanized

Attribute	Value
Weight	0.34 kg
Scope of delivery	Stop gate incl. fastening material (as shown)
