DESCRIPTION

The 3842559346 base plate anchors EcoShape D28L round tubes securely to flat surfaces - suitable for floor, wall, and workbench installations in ESD-protected production areas. The diecast zinc housing combines dimensional stability with a low weight of 1.26 kg and provides permanent static dissipation.

- ESD-suitable: safe deployment in electrostatic-sensitive assembly and production environments
- Diecast zinc construction: dimensionally stable, corrosion-resistant, long service life
- Fastening material included: 2x chipboard screw 5x30/24 - ready to install out of the box
- Packaging unit of 10: cost-effective for line builds and series projects
