STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Loop Flat cable bracket keeps cables and harnesses neatly routed and accessible directly on panel elements or tabletops - no tools needed thanks to the pre-assembled Velcro strap. The conductive PP body meets antistatic requirements and carries UL certification.

- Direct mounting on panel element or tabletop using M4 or M5 screws
- Retrofittable to EcoShape profiles via Adapter D28L (sold separately)
- Clamps cable bundles from 8 to 35 mm - wide range without additional parts
- Velcro strap (180 mm x 20 mm) pre-assembled; cables can be inserted and re-routed without tools
- Cable bracket in conductive PP, black, UL certified - suitable for ESD-sensitive environments
