

Schnittstellenmodul AM CC PROFINET - Bosch Rexroth 3842559445

Item no. BRR-3842559445 **Manufacturer** Bosch Rexroth**Manufacturer no.** 3842559445

Interface module connecting the Bosch Rexroth AM CC controller to PROFINET networks. Enables direct integration of AM assembly components into higher-level automation systems. Suitable for modular assembly and transfer line applications.

DESCRIPTION

The AM CC PROFINET interface module from Bosch Rexroth links the AM CC controller to PROFINET-based automation networks, allowing seamless communication between assembly technology components and a programmable logic controller.

- Direct PROFINET communication between AM CC controller and PLC
- Compact form factor for use in assembly cells and transfer systems
- Material: PVC

Technical data

Specification	Value
Type	AM CC PROFINET interface module
Interface	PROFINET
Material	PVC
Mass	0.06 kg
Weight (packaged)	0.1 kg
