

# Verbindungssatz AM CM-CC, Kabel 6,5 m - Bosch Rexroth 3842559449

**Item no.** BRR-3842559449 **Manufacturer** Bosch Rexroth

**Manufacturer no.** 3842559449

Connecting kit for linking AM drive modules to CM-CC control cabinets via a 6.5 m cable. Designed for Bosch Rexroth assembly line systems. Galvanized steel construction with PVC cable sheath.

## TECHNICAL DATA

Article authenticity **Original product**

Condition of article **New**

Weight **0.1 kg**

## DESCRIPTION

The AM CM-CC connecting kit with 6.5 m cable length links AM drive modules to CM-CC control cabinets in Bosch Rexroth assembly systems. The galvanized steel hardware and PVC-insulated cable are built for continuous use in industrial production environments.

- 6.5 m cable length allows flexible positioning of drive unit and control cabinet
- Galvanized steel components resist corrosion in production conditions
- PVC cable sheath protects conductors against mechanical stress
- Compatible with AM drive modules and CM-CC control cabinet series

## Technical data

Property	Value
Article number	3842559449
Description	Connecting kit AM CM-CC
Cable length	6.5 m
Material	Steel, galvanized / PVC
Mass [m]	5
Weight	7.5 kg
