DESCRIPTION

This control unit manages one to three LIFT F3200 lifting units within Rexroth assembly lines. It supplies the connected lifting tables at 120 V DC and limits the controlled maximum load to 3200 N, matching the rated capacity of the F3200 series.

- Controls 1 to 3 LIFT F3200 lifting units from a single device
- Operating voltage 120 V DC, directly compatible with F3200 supply level
- Maximum load version Fmax 3200 N
- Supplied with fastening material for direct mounting
- Hand switch (accessory, pos. C) available separately

TECHNICAL DATA

Parameter	Value
Type	Control unit 1-3x LIFT F3200
Operating voltage DC	120 V
Maximum load version Fmax	3200 N
Scope of delivery	Incl. fastening material
Weight	0.7 kg
Article number	3842559933
