

# Verbindungsleitung CONTROL-3200NSYN2,0M, 2 m - Bosch Rexroth 3842559944

**Item no.** BRR-3842559944 **Manufacturer** Bosch Rexroth**Manufacturer no.** 3842559944

Pre-assembled connecting cable for the Bosch Rexroth CONTROL-3200 system, fitted with plug connectors at both ends. Length 2.0 m, weight 0.06 kg. Links Economic and Basic distributors to downstream components in assembly technology networks.

## TECHNICAL DATA

Article authenticity	<b>Original product</b>
Condition of article	<b>New</b>
Length	<b>2 m</b>
Weight	<b>0.06 kg</b>
Zolltarifnummer	<b>85369010</b>

## DESCRIPTION

The CONTROL-3200NSYN2,0M connecting cable links Economic (A) and Basic (B) distributors in the Bosch Rexroth CONTROL-3200 system to connected downstream components. The pre-assembled cable with integrated plug connectors (D) allows fast, tool-free installation on the line.

- Compatible with CONTROL-3200 distributors Economic (A) and Basic (B)
- Pre-fitted plug connectors at both ends for plug-and-play connection
- 2.0 m length provides flexibility for varied equipment layouts
- Lightweight at 0.06 kg for easy handling and installation
