STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The lockable joint 30x30 from Bosch Rexroth connects 30 mm modular profiles at variable angles and holds the set position firmly - well suited for adjustable frames, guards and support structures built on the Rexroth profile system groove 8. The diecast zinc housing is ESD-rated; the included galvanized steel fastening hardware allows straightforward assembly without additional purchases.

- Lockable: angle freely adjustable and fixable in position
- Diecast zinc housing: high dimensional stability at low weight (0.29 kg)
- ESD-rated: safe for use in electrostatically sensitive environments
- Complete scope of delivery: 2x flange head screw M6x12, 2x T-nut groove 8 M6, 2x screw S8x25, 6x centering piece PA6
