

Schutzkasten HP2 HUB80, Gehäuseelement L267 mm - Bosch Rexroth 3842562217

Item no. BRR-3842562217 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842562217

Housing element for the HP2 lift positioning unit with a length of 267 mm. Protects internal mechanics and defines the outer profile of the unit. Original Bosch Rexroth component for use in transfer systems.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Weight	0.1 kg
Zolltarifnummer	84313900

DESCRIPTION

The HP2 HUB80 housing element (3842562217) encloses the HP2 lift positioning unit in the Bosch Rexroth transfer system. At 267 mm in length, it shields internal components from contamination and mechanical impact while maintaining the defined outer geometry of the unit.

- Length 267 mm - precise fit for the HP2 lift positioning unit
- Weight 3.1 kg - robust construction for industrial environments
- Genuine Bosch Rexroth part - guaranteed compatibility within the transfer system
