

Fettpatrone LU 2/LS für TS 2plus Fördersystem - Bosch Rexroth 3842562441

Item no. BRR-3842562441

Manufacturer Bosch Rexroth

Grease cartridge LC 2/LS for the lubrication unit of the TS 2plus standard conveyor. Two lubrication units are required per section routing, one on each side. Supplied unassembled with fastening material included.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.1 kg**

Zolltarifnummer **34039900**

DESCRIPTION

The LC 2/LS grease cartridge supplies lubricant to the lubrication unit of the Bosch Rexroth TS 2plus standard conveyor. It mounts directly on the lubrication unit and keeps the conveyor chain consistently lubricated, reducing wear and unplanned downtime.

- Compatible with TS 2plus standard conveyor unit - direct mounting, no modification needed
- Two units required per section routing (1x left, 1x right) - full coverage of both running sides
- Supplied unassembled with fastening material included - straightforward installation
- Required accessory: Adapter Set (ordered separately)
