

Netzkabel CH HD-GST+PE 5 m, Orange, PUR - Bosch Rexroth 3842564085

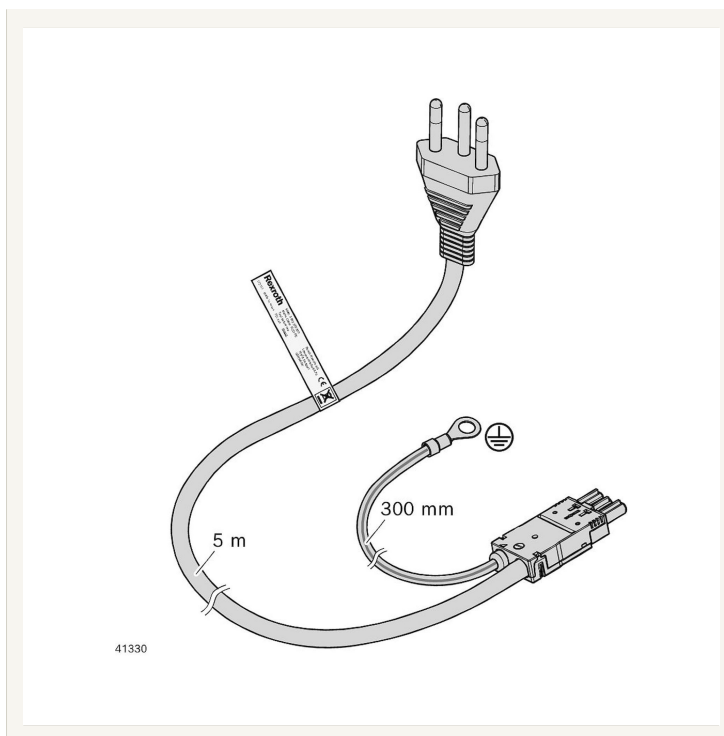

Item no. BRR-3842564085

Manufacturer Bosch Rexroth

A 5 m industrial mains cable for workstations in manual assembly systems, fitted with an orange PUR (H07BQ-F) jacket for oil and abrasion resistance. Designed for use with GST connectors; the matching GST plug is required and sold separately. Suitable wherever flexible power supply routing at assembly workstations is needed.

TECHNICAL DATA

Colour	Orange
Country of Manufacture	Romania
Length	5 m
Weight	0.65 kg
Zolltarifnummer	85444290

DESCRIPTION

The mains cable 3842564085 delivers reliable mains power to workstations in Bosch Rexroth manual production systems. The 5 m PUR (H07BQ-F) cable body resists oils, fuels, mechanical abrasion and UV exposure, making it suited for continuous use in industrial assembly environments. The distinctive orange colour simplifies cable routing and improves workplace visibility.

- 5 m length - sufficient reach for flexible workstation layouts
- PUR jacket (H07BQ-F) - resistant to oils, fuels, abrasion and UV radiation
- Orange colour - easy to identify, supports tidy cable management
- Compatible with GST connectors - integrates directly into Bosch Rexroth power supply systems
- 0.65 kg weight - light and easy to handle during daily assembly and changeover tasks
