

Netzkabel GB HD-GST+PE 5 m, orange, PUR - Bosch Rexroth 3842564086

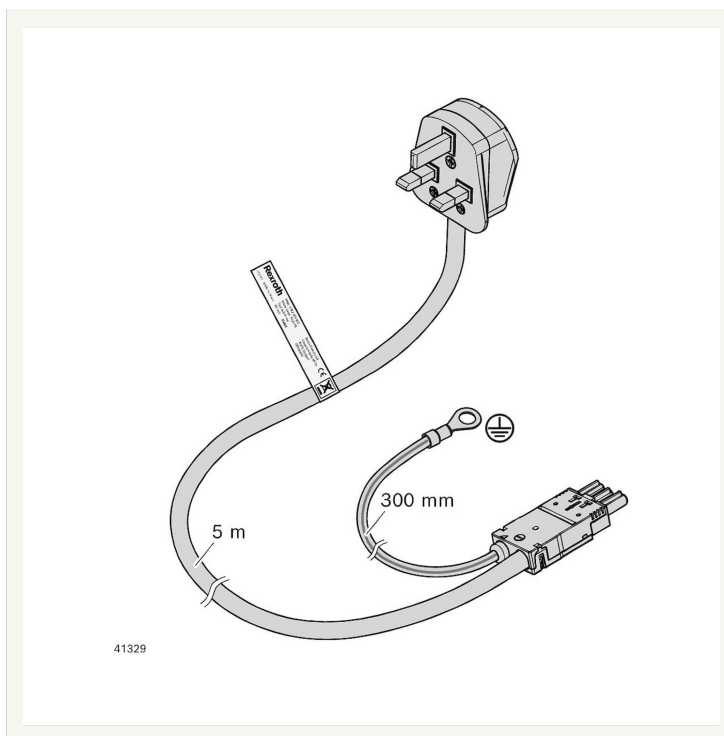

Item no. BRR-3842564086

Manufacturer Bosch Rexroth

Flexible 5 m mains cable in PUR (H07BQ-F) for Bosch Rexroth manual assembly workstation systems. The orange sheath aids visual identification on the shop floor; connection requires a GST plug (ordered separately). Designed for HD-GST+PE power supply connectors.

TECHNICAL DATA

Colour	Orange
Country of Manufacture	Romania
Lenght	5 m
Weight	0.65 kg
Zolltarifnummer	85444290

DESCRIPTION

The GB HD-GST+PE mains cable supplies reliable power to Bosch Rexroth assembly workstation components over a 5 m run. Its PUR (H07BQ-F) outer jacket resists mechanical stress, oils, and coolants - conditions common in industrial production environments.

- 5 m length allows flexible workstation layout without extension leads
- PUR jacket (H07BQ-F) - oil-resistant, abrasion-resistant, rated for tough production conditions
- High-visibility orange colour simplifies identification and visual inspection at the workstation
- HD-GST+PE design includes protective earth (PE) conductor for safe, standardised connection
- Required accessory: GST plug (order separately)
