

Schutzleiter-Anschluss CONNECT N8 60 mm² für Nut 8 - Bosch Rexroth 3842564106

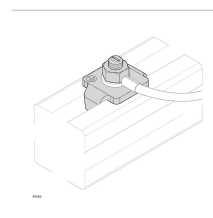

Item no. BRR-3842564106 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842564106

Protective conductor connection element for the CONNECT N8 profile system, rated for conductor cross-sections up to 60 mm². The galvanized steel set is supplied complete with fixing hardware for slot 8, ensuring a code-compliant earth connection on aluminium profile workstations.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Weight	0.021 kg
Zolltarifnummer	73269098

DESCRIPTION

The Protective Conductor CONNECT N8 provides a reliable earthing connection for aluminium profile workstations and assembly structures built on the CONNECT N8 system. The galvanized steel set is supplied ready to install with matching fixing hardware for slot 8 - no additional parts required.

- Conductor cross-section up to 60 mm² - suitable for industrial protective earth requirements under applicable standards
- Galvanized steel construction - corrosion-resistant for continuous production use
- Complete set including fixing hardware for slot 8 - ready to mount straight from the box
- Compact dimensions (A 28 mm / d 9.3 mm / c 7.5 mm) - minimal footprint within the profile frame

Technical data

Attribute	Value
Article number	3842564106
Application	Protective conductor connection for CONNECT N8 profiles

Attribute	Value
Conductor cross-section S	60 mm ²
Dimension A	28 mm
Dimension d	9.3 mm
Dimension c	7.5 mm
Material	Steel, galvanized
Scope of delivery	Set incl. fixing hardware for slot 8
Packaging unit	1
Weight	0.021 kg
