DESCRIPTION

The ESD filler hopper 90x90 fits directly onto the Vario grab container and guides small parts safely into the bin without misplacement. Docking aids on the hopper locate it precisely, reducing filling errors and supporting ergonomic workflows at assembly stations. The ESD-grade ABS construction protects electrostatic-sensitive components throughout the filling and retrieval process.

- ESD-safe ABS: conduction resistance Rgp/Rpp = $10^4 \dots 10^9 \Omega$
- Docking aids for accurate, ergonomic positioning on the Vario grab container
- Compatible with grab container size 90x90 mm; also available in 90x45 and 180x90
- Net weight 0.197 kg, filling weight up to 0.2 kg
