DESCRIPTION

The connecting cable 3842564796 links distributor and control components within the CONTROL-3200N system over a minimal distance. At 0.1 m, it is the right choice when components are mounted directly adjacent and unnecessary cable runs need to be avoided.

- Pre-assembled cable with plug connector for tool-free, reliable mating
- Cable length 0.1 m - ideal for space-saving direct installation
- Low weight of 0.04 kg simplifies handling and installation
