

Förderstrecke ST 2/R VPlus - Bosch Rexroth 3842994193

Item no. BRR-3842994193 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842994193

The Conveyor Section ST 2/R VPlus is a straight-running track module for the Bosch Rexroth VPlus pallet transfer system. It transports workpiece carriers between assembly stations in linked production lines. The module integrates directly into existing VPlus lines and combines with curves, stoppers, and lift modules from the same system family.
