

Längsverbinder LV 2 für Montagegestelle, ESD-geeignet - Bosch Rexroth 3842998908

Item no. BRR-3842998908 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842998908

The Longitudinal Connector LV 2 joins size-2 assembly frames along their length. Overall length is freely selectable in multiples of the 306 mm motor-length module. Supplied unassembled, including all fastening hardware for leg sets SZ 2/LS END and SZ 2/LS MID.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Weight	0.1 kg
Zolltarifnummer	84313900

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Longitudinal Connector LV 2 links size-2 assembly frames end to end, allowing the total length of a workstation or line segment to be adapted to the required layout. Length is configured as a multiple of the 306 mm motor-length module. The component is ESD-compatible, making it suitable for electrostatically protected assembly environments.

- Variable length: n x 306 mm (motor-length module), scalable to the line configuration
- ESD-compatible for use in EPA (electrostatic protected area) environments
- Includes all fastening hardware for leg sets SZ 2/LS END and SZ 2/LS MID
- Supplied unassembled - straightforward on-site installation

Technical data

Parameter	Value
Type	Longitudinal Connector LV 2
Size	2

Parameter	Value
Length	Variable, n x 306 mm
ESD-compatible	Yes
Condition on delivery	Not assembled
Scope of delivery	Including fastening material for SZ 2/LS END and SZ 2/LS MID
Required accessories	Leg sets SZ 2/LS END and SZ 2/LS MID
Weight	0.1 kg
