## DESCRIPTION

HDPE light pallet in the format with very low tare weight and high load capacity for worldwide shipping.

- The lowest tare weight in the range cuts shipping and handling costs.
- Empty pallets nest space-savingly inside one another.
- Available with feet or skids, where skids add stability for heavy loads.
- An optional retaining edge fixes stacked containers slip-resistant.

Used for export, in-house transport and one-way to reusable shipping of light to medium loads.

Made of recyclable HDPE, manufactured in Germany.

### Technical data

Dimensions L x W x H                      60 x 40 x 13.7 cm

Upper surface	Perforated
Design	4 feet
