## DESCRIPTION

Medium pallet in high-grade scratch-resistant plastic in the format, the all-rounder with balanced load capacity.

- Load capacity between the light and hygiene pallet covers most use cases.
- With optional steel-tube reinforcement it is also suitable for high-bay racking.
- A scratch-resistant, durable surface for intensive reusable service.
- Available with or without a retaining edge and in several skid configurations.

Used in worldwide shipping, storage and high-bay warehousing for medium to heavy loads.

Made of recyclable plastic, manufactured in Germany.

### Technical data
