DESCRIPTION

Big box with ventilation slits in the 120 x 100 cm footprint that keeps air circulating around sensitive or perishable goods.

- Ventilation slits allow air to circulate and prevent condensation and trapped moisture.
- Ideal for fruit, vegetables, baked goods and other items that need to breathe.
- The integrated pallet base makes the box directly stackable and forkliftable.
- Made of easy-clean HDPE for hygienic reusable service.

Used in food logistics and fresh-produce trade for ventilated storage and transport.

Made of recyclable HDPE, manufactured in Germany.
