

Klappbarer IBC / Bag-in-Box-System 120 x 100 x 125 cm - Auer IBC 1000

Item no. IBC 1000 **Manufacturer** Auer

Manufacturer no. IBC 1000

Foldable IBC on the bag-in-box principle, where a single-use liner inside a stable foldable outer container holds the liquid. The foldable outer container saves space on empty returns and cuts costs versus conventional IBCs.

DESCRIPTION

Foldable IBC on the bag-in-box principle, where a single-use liner inside a stable foldable outer container holds the liquid.

- The foldable outer container saves space on empty returns and cuts costs versus conventional IBCs.
- Only the low-cost liner touches the product, keeping the container permanently hygienic.
- Liners in 500 or 1000 litres, available in food-grade and aseptic versions.
- Stackable and ready for reuse with a fresh liner after each cycle.

Used for fruit juices, wine, liquid foods and pharmaceutical products with high hygiene demands.

Manufactured in Germany.

Technical data

Outer dimensions L x W x H	120 x 100 x 125 cm
Inner dimensions L x W x H	111 x 91 x 103 cm
Volume	1,000 liter
Design	Standard
Made up of	1 IBC / 1 Clip-on lid
Height when folded	43 cm
Useful height	103 cm
Weight	102 kg
Loading capacity	1,300 kg
Statically stackable	1+5
Dynamic stackable	2
Colour	Base, front and side wall: silver grey similar RAL 7001 / Attachments such as turning locks, hinges: traffic red similar RAL 3020 / Skids: traffic black similar RAL 9017 or anthracite grey similar RAL 7016 (depending on availability)
Note	not UV and weather resistant
