DESCRIPTION

IBC container with a plastic pallet for the safe storage and transport of liquids of all kinds.

- A tough HDPE inner bottle in a welded steel-tube frame delivers high stability.
- The integrated plastic pallet makes the container conveyor- and high-bay-rack-suitable.
- An outlet valve with first-use safety seal allows clean, metered emptying.
- Available in a food-grade version and with options for hazardous goods.

Used in chemicals, food and beverage industries for storing and transporting liquids.

HDPE inner container, manufactured in Germany.
