DESCRIPTION

Lightweight two-wheeled hand trolley on a sturdy chassis for fast transport of heavy loads.

- Ball-bearing wheels roll particularly smoothly.
- The ergonomic design makes lifting and moving easier.
- The load plate is either matched to the Euro container footprint or multi-purpose.
- A fork version lifts and moves loaded transport trolleys.

Used in goods receiving, dispatch and in-house transport of heavy single loads.

Chassis in aluminium, polyamide and steel, manufactured in Germany.
